StatPro Bursary 2020

About us:

StatPro is a global software business in the investment management industry with over 500 clients in 38 countries. We develop all our own software and support our clients from 12 offices around the world. We believe the combination of our industry expertise and our innovative technology sets us apart from our competition.

Bursary Information:

We are offering a one-year bursary to a black South African learner in support of the requirements of the B-BBEE Act. This bursary is for study at an accredited South African University towards an honour's degree majoring in Investment Management, Financial Analysis, Portfolio Management or similar Investment related honours degree.

Duration:

1 year of full-time study followed by 1 year of paid learnership.

Bursary Offer:

- 100% of University tuition fees, registration fees and exam fees for the 2020 academic year.
- Up to R5 000 for prescribed textbooks.
- A learnership with StatPro for 12 months with the potential for full time employment thereafter.
- Exposure to Investment Management and Investment Performance measurement environment.
- Mentorship and support during your year of study.

Requirements:

- This bursary is available to black South African learners as defined in the B-BBEE Act (i.e. African, Coloured, Indian or Chinese learners) that are South African citizens by birth or descent, with a valid SA ID number.
- Applicant must be enrolled for full time study in 2020.
- Honours student majoring in either Investment Management, Financial Analysis, Portfolio Management or similar Investment related honours degree.
- Should be interested in a career in the Investment Management or Investment Performance Industry.
- University academic average of at least 60% in previous two years.
- Matriculation results to include a minimum grade of level 5 for English First Language or for English Second Language as well as level 5 for Mathematics.

Selection Process:

- All applications will be considered, and a short list will be made.
- Only shortlisted applicants will be contacted.
- If you have not been contacted by 28 February 2020 your application has been unsuccessful
- Shortlisted candidates will be contacted for one or more interviews.
- Candidates may be required to prepare a presentation to panel of StatPro staff.
- Psychometric testing may be required.
- The Directors of StatPro will decide which candidate(s) is awarded the bursary.
- The successful candidate(s) will be notified of their bursary award and be given a contract with terms and conditions to sign.

Fine Print:

- Bursaries are awarded for commencement in the following academic year and no payments are made in respect of studies already completed.
- StatPro reserves the right to withdraw the offer of a bursary if the candidate performs substantially weaker academically than the academic performance presented during the application process.
- The bursary holder will be required to pay for any repeat subjects.
- Prescribed tuition fees, registration fees and exam fees are paid directly to the university.
- Students will be refunded for all required textbooks purchased up to the total of R5 000.
- StatPro will not fund any accommodation.
- The bursary holder is responsible for their own accommodation and living expenses.
- The bursary holder is not allowed to hold other bursaries if they bind him/her to enter the service of another organisation upon completion of his/her studies.
- If the bursary holder wishes to change the field of study details must be submitted to StatPro for consideration prior to such change.
- Should it transpire the bursary holder provided any false information to StatPro in order to obtain this bursary, then StatPro is entitled to cancel the agreement, in which event the bursary holder will be liable to refund all amounts paid by StatPro.
- This bursary cannot be used to pay for existing loans or debts.
- StatPro reserves the right not to award any bursary, at its discretion.

- The bursary holder will be bound contractually to work at StatPro after graduation for a period of one year or less depending on the business needs. Placements will be made according to the needs of the business.
